First Day

We'll meet at our hotel for check-in and some time to relax. Later, everyone gathers for a welcome dinner and trip briefing, setting the stage for our adventure ahead!

At around 8:00 am, our tour guide will come and pick you up from your hotel then we will take you all to our office, where you'll receive a warm welcome and a detailed overview of the itinerary. Once geared up, we'll start this Northern Vietnam motorcycle tour from the shop after the morning rush hour. Just slowly ride out of the busy but interesting Hanoi and our motorbike adventure will begin as we venture off the beaten path approximately after 30 km ride from the shop, exploring some easy off-roads before making a stop for lunch along the way in Hoa Binh. Continuing on a striking northwest route, we'll pass through breathtaking limestone mountains until we reach a charming Thai village which located deep inside the enchanting Mai Chau. We'll spend the night in a traditional house on stilts and have a warm dinner with the friendly Thai people in the village.

DAY 2

DAY 3

A man wearing a blue and orange long-sleeved shirt and a backpack is sitting on a red motorcycle. The motorcycle is on a small ferry or bridge over a river. The background shows a river, some buildings on the bank, and a forested hill. The motorcycle is red with gold accents and has a white headlight. The man is looking towards the right.

If you're looking for a scenic motorcycle tour in Vietnam, today's ride is perfect. After departing from our stay in Mai Chau, we'll begin a journey through picturesque villages of the Thai people, climbing higher into northern Vietnam. The day offers plenty of opportunities to capture the stunning landscape and meet the friendly locals of this region. We'll end our ride at a hotel in Phu Yen around 4:30 pm, wrapping up an incredible day of exploration.

DAY 4

This day is bound to be a highlight of our motorbike tour in North Vietnam, especially for those who love adventure. We'll ride mostly on twisty, scenic mountain roads, with stunning views of green, mist-covered peaks, particularly around Ta Xua Mountain. After crossing Ta Xua's dramatic dinosaur spine, we'll continue our journey north, eventually arriving in the beautiful Nghia Lo valley. Our day will end at a charming farm, where we'll stay with a local Thai family, immersing ourselves in the warmth of their hospitality.

Today promises to be an unforgettable ride through the heart of Northern Vietnam, as we journey to the breathtaking landscapes of Mu Cang Chai. We'll ride along winding mountain roads, offering views of lush valleys and terraced rice fields that stretch across the hillsides like endless green waves. Along the way, we'll stop at a scenic mountain summit for a tea break, soaking in panoramic views and capturing the beauty of the countryside. As we descend, the iconic rice terraces of Mu Cang Chai will come into full view, providing a perfect backdrop for photos and quiet reflection. We'll arrive at our hotel in the late afternoon, surrounded by the tranquility of this stunning region.

DAY 5

DAY 6

Today offers a relaxed ride along smooth, winding roads (with the option for more adventurous routes if desired). Our journey takes us up to the stunning O Quy Ho Pass, one of North Vietnam's most beautiful, climbing to around 2000 meters above sea level. We'll pause at the top to capture the panoramic views, then continue down toward Sapa, a charming and vibrant mountain town known for its unique character and scenic surroundings. Though short and easy, today's route may well be a highlight of our Northern Vietnam motorcycle tour. We'll settle into a comfortable hotel in town and enjoy an evening exploring all that Sapa has to offer.

After 5 days riding, Sapa is an ideal place to spend an easy day here. It's a small town located on the Hoang Lien Mountain ranges, with the height of around 1600m above the sea level and surrounded by some breathtaking valleys and beautiful villages of the hill tribes so there's many interesting things to do in Sapa. If you'd like to ride more, the guide team of Chi can also offer a nice motorcycle ride through some remote villages nearby Sapa to see the rice terraces or visiting 4 different ethnic people in Sapa.

DAY 7

DAY 8

Saying goodbye to Sapa to around 8:30 am, we'll continue this Northern Vietnam motorcycle tour by hitting the road all the way down from Sapa on another side of the Hoang Lien Mountain range. It also offers a great view of nature with more terrace rice fields. The motorbike ride in the morning is almost on smooth roads along the Chinese border through some rustic villages and nice terrace fields. We'll ride up and up again to another higher town in Bac Ha District where you can have some fun offroad through corn and plum plantation crossing through some rustic villages of the H'Mong people. We will arrive in the little town of Bao Yen at around 4:00 pm. Check in a standard hotel in town.

DAY 9

This motorcycle ride to Hoang Su Phi today gives you a completely different taste of riding views of nature. It offers a more wild and green nature. In addition, the ride via Hoang Su Phi could give you one of the best views of rice terraces if you come at the right time, it will surely make you feel worthy to be here with the motorbikes. This could be the highlight of this motorbike tour in North Vietnam. We'll arrive Hoang Su Phi at around 5:00 pm and stay at the hotel.

DAY 10

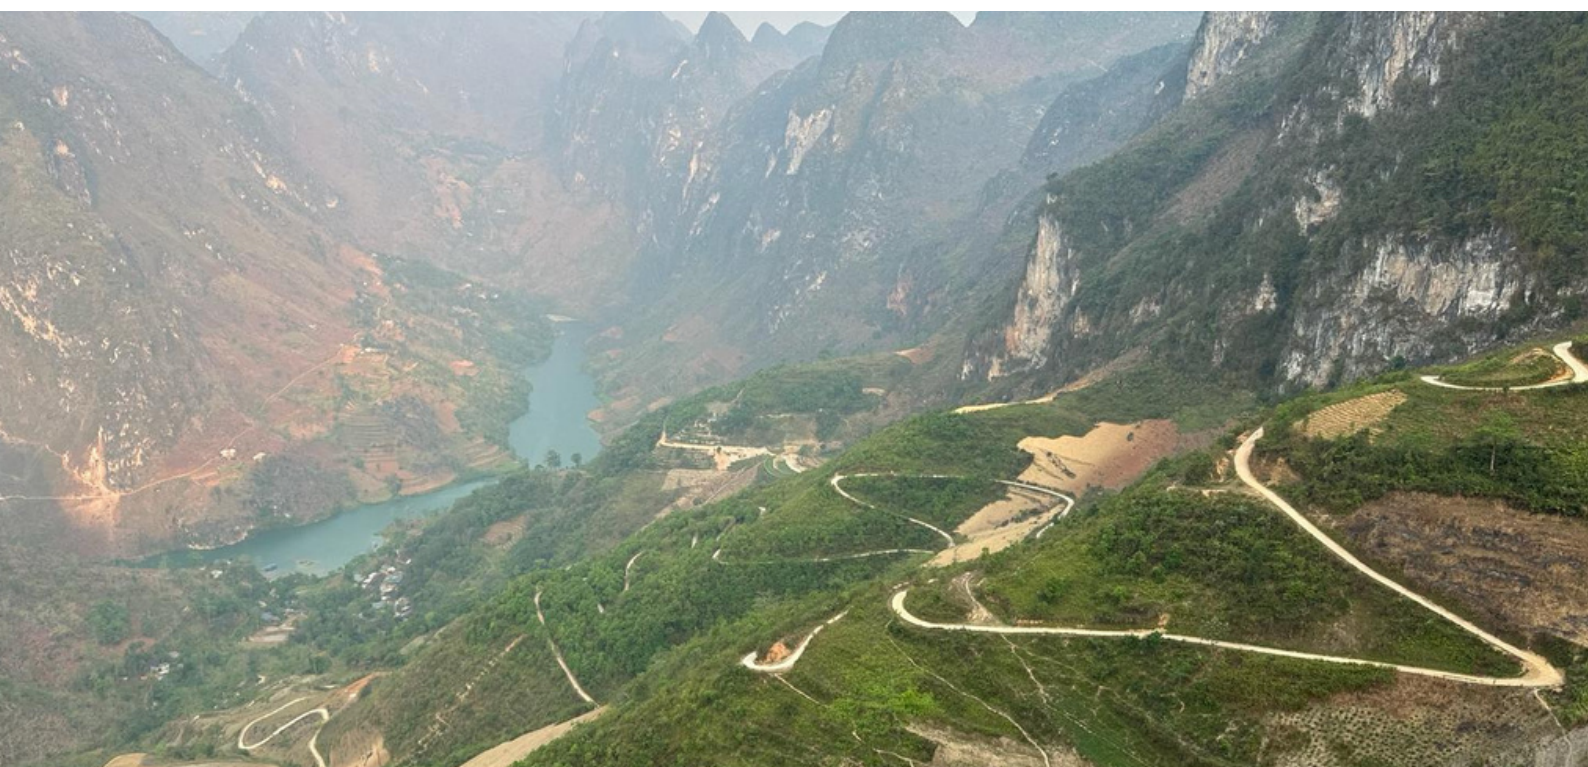

Ha Giang – Dong Van – Meo Vac becomes a must see in Vietnam now and today we will experience all the best of this Ha Giang loop. You can stop anywhere during the ride today to take the picture of majestic nature! The whole trip today offers unreal scenery that can make you surprise at every corner! This is surely one of the best days of this Northern Vietnam motorcycle tour.

DAY 11

Leaving the amazing rock plateau of Ha Giang, we will head to the eastern of Vietnam to Cao Bang – where you can experience another beauty of North Vietnam. The motorbike tour today offers quite different view of nature in another part of North Vietnam where the mountains are more green but lower with more villages and ethnic people. Cao Bang is one of the attractive destinations in North Vietnam that Chi's Wheels would like always to ride motorbike to. Known as the "High Plateau" – Cao Bang is located in far North Eastern highlands of Vietnam that's just next to China.

The ride to Lake Ba Be is a mesmerizing journey through Vietnam's rugged northern landscapes. Starting in the remote mountain town of Meo Vac, with its dramatic karst peaks and winding roads, the path takes you along misty ridges and through valleys blanketed with terraced fields. Passing hidden villages, you'll catch glimpses of traditional stilt houses and farmers working against breathtaking backdrops. As you near Lake Ba Be, the scenery softens into lush jungles and emerald waters, where the lake lies peacefully amid limestone cliffs. It's a journey that feels like a passage through a forgotten world, ending in the serenity of Vietnam's largest natural lake.

DAY 12

Starting at the tranquil, emerald waters of Lake Ba Be, nestled in lush jungles and limestone cliffs, the route winds through misty valleys and terraced hillsides. Along the way, quaint villages and vibrant markets offer glimpses of local life and warm, welcoming smiles. As the peaceful countryside gives way to Hanoi's vibrant streets, the energy builds, and you arrive in the heart of Vietnam, surrounded by the sights and sounds of the Old Quarter. It's a ride that captures Vietnam's wild beauty and vibrant soul.
